Miss Morales does most communication through Email. Important announcements and reminders are sent out frequently. Parents/guardians, please print your current and active Email address where you can be reached:

Additionally, this class uses Remind 101 as an additional way of communicating important due dates and reminders directly to your mobile phone. This is a free service, although your carrier data fees (if any) still apply. Signing up is easy! Simply text your child's class code to (321) 594-6415. Class codes are listed below. All phone numbers are completely confidential. When prompted, please use your real name as listed on Skyward. Only Miss Morales can see names of those who have signed up through her master account. For more information about Remind 101, visit www.remind101.com

Major projects in this class offer extra credit for students to print typed copies of their work. Written work that is illegible **MUST** be typed, or it will **NOT** be graded. If you answered "NO" to any of the above, please note that students are responsible for using these resources through Milwee's media center or public library before or after school. TIP: Do not wait until the night before a project is due to print a paper! "Malfunctions" almost always happen—be prepared! Papers that are Emailed to Miss Morales by the evening of a due date will not be counted as late—however, a paper copy **MUST** still be submitted in order for a paper to be graded. Electronic files will **NOT** be graded.
