

# Word Choice Valentines

Roses are red  
 Violets have hues.  
 Some words are quite boring  
 When they're overused!

\*\* Your Valentine should be written neatly—whether you choose to do a poem or letter. Spelling and grammar count! Decorate your Valentine as well for full credit.\*\*

Dearest Valentine,

Your task is to write the most heartfelt and unique valentine to someone (or even something) you care about using the most descriptive and interesting words you can think of. Some overused and boring romantic words are listed below. Find a minimum of **10 or more** descriptive and interesting synonyms (or phrases) to replace them and *compose a valentine letter or poem* to someone or something you care about.
